The government will spend a total of Taka 930 crore in this regard, he added.

The government has already taken various steps, including an incentive package of Taka 42 crore and assistance program to help farmers affected by the high temperature and heat shock across the country. At the same time, the government is emphasizing on developing high yielding rice varieties which can tolerate the high temperature, Agriculture Minister Dr. Md. Abdur Razzaque said this while paying a surprise visit to the research field of Bangladesh Rice Research Institute-BRRI in the capital yesterday.

Prime Minister Sheikh Hasina has taken Bangladesh to new height of international diplomacy with her characteristic conviction and patience, Foreign Minister Dr. A K Abdul Momen stated in a video message marking the Foreign Service Day observed yesterday. The geo-political significance of Bangladesh's economic rise and development credentials are now unmistakable to foreign policy pundits, he said.

The historic Mujibnagar Day was also observed in Bangladesh missions abroad, including the missions in Kolkata, United Nations, Jordan, Ottawa and Washington DC with due solemnity and fervor. The flag of Bangladesh was first hoisted on foreign soil at 12:41 pm on 18 April 1971 at the Bangladesh Mission in Kolkata, India. On 17 April 1971, at BaidyanathTala in Kushtia, now Mujibnagar, the day after the first government of Bangladesh was sworn in, the Pakistan Mission in Kolkata was launched as the 'Bangladesh Mission'. To commemorate the day, the officials of the Sub-High Commission in Kolkata marched around the Sub-High Commission building with the national flag of Bangladesh yesterday. At the virtual program marking the Mujibnagar Day, celebrated at the Bangladesh Permanent Mission to the United Nations on Saturday, Ambassador Rabab Fatima called upon the new generation to highlight the history of Mujibnagar government and the history and significance of the great liberation war. In Bangladesh Embassy in Jordan, a webinar was organized along with other programs marking the Day. Ambassador Nahida Sobhan spoke at the webinar. The High Commission of Bangladesh in Ottawa and Bangladesh Embassy in Washington DC observed the historic Mujibnagar Day in a similar manner.

Industries Minister Nurul Majid Mahmud Humayun urged the private sector and foreign investors to set up spare parts and tools manufacturing units in the country's Economic Zones as he was speaking at a webinar yesterday organized by Dhaka Chamber of Commerce and Industry. The Minister also said, if needed, a comprehensive policy will be pursued especially for this industry. Ambassador of Japan to Bangladesh Ito Naoki taking part at the webinar said, Bangladesh has a strong possibility to establish its own local automobile industry. He informed that Japanese Mitsubishi Motors showed interest to invest in Bangladesh in the CKD assembling plant.
